SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Ranch Metropolitan District No. 1 (“the District”), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso County, Colorado on November 3, 2020, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes).

The District was organized to provide for the planning, design, acquisition, construction, installation, relocation, and redevelopment of public improvements. The District was organized in conjunction with three other related Districts – The Ranch Metropolitan District No 2, 3 and 4. The District serves as the Operating District which will pay all vendors of and receive reimbursement/contributions from the Financing Districts. The Ranch Metropolitan District No. 2, 3 and 4 are the Financing Districts which will levy ad valorem taxes on taxable properties within each District and assess fees, rates and other charges as authorized by law. The District’s service area is located entirely within El Paso County, Colorado.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Developer Advances

The District is in the development stage. As such, a significant portion of the operating and administrative expenditures are to be funded by the current Developer, Classic SRJ. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Expenditures

Administrative and Operating Expenditures

Administrative and operating expenditures include the estimated services necessary to maintain the District’s administrative viability such as legal, accounting, audit, insurance, meeting expenses, and other administrative costs.

2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Ranch Metropolitan District No. 2 (“the District”), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso County, Colorado on November 3, 2020, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes).

The District was organized to provide for the planning, design, acquisition, construction, installation, relocation, and redevelopment of public improvements. The District is a Financing District organized in conjunction with three other related Districts – The Ranch Metropolitan District No 1, 3 and 4. The District serves as a Financing District which will levy ad valorem taxes on taxable properties within each District and assess fees, rates and other charges as authorized by law. The Ranch Metropolitan District No. 1 is the Operating District which will pay all vendors of and receive reimbursement/contributions from the Financing Districts. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

No activity anticipated in 2024.

Expenditures

No activity anticipated in 2024.

Debt and Leases

The District has no debt, nor any operating or capital leases.

Reserves

Emergency Reserves

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to The Ranch Metropolitan District No. 1, which pays for all the District's operations and maintenance costs, the Emergency Reserve for these funds is reflected in the budget of The Ranch Metropolitan District No. 1.

**THE RANCH METROPOLITAN DISTRICT NO. 4
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Ranch Metro District No. 4 (“the District”), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Colorado Springs, El Paso County, Colorado on November 3, 2020, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes).

The District was organized to provide for the planning, design, acquisition, construction, installation, relocation, and redevelopment of public improvements. The District is a Financing District organized in conjunction with three other related Districts – The Ranch Metropolitan District No 1, 2 and 3. The District serves as a Financing District which will levy ad valorem taxes on taxable properties within each District and assess fees, rates and other charges as authorized by law. The Ranch Metropolitan District No. 1 is the Operating District which will pay all vendors of and receive reimbursement/contributions from the Financing Districts. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

No activity anticipated in 2024.

Expenditures

No activity anticipated in 2024.

Debt and Leases

The District has no debt, nor any operating or capital leases.

Reserves

Emergency Reserves

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to The Ranch Metropolitan District No. 1, which pays for all the District's operations and maintenance costs, the Emergency Reserve for these funds is reflected in the budget of The Ranch Metropolitan District No. 1.

This information is an integral part of the accompanying budget.
